HomeServicesLink is providing these links to you only as a convenience, and the inclusion of any link does not imply endorsement by HomeServicesLink of the site.

7. SERVICE PROFESSIONAL PRESCREENING PROCEDURES AND DISCLAIMERS.

HomeServicesLink uses the following criteria as part of its registration enrollment process ("registration") for new service professionals applying for membership in our network:

Licensing - HomeServicesLink confirms at the time of a service professional's registration, that a prospective new member has all applicable required state-level trade licensing. Certain states may require state-level licensing for projects above specified dollar amounts. We recommend you confirm these licensing requirements with the business and the applicable state and local licensing authorities. In some states, licensing may be required by the county or local authority in which the work is being performed. We recommend you confirm these licensing requirements before proceeding with your project. Larger projects often require the use of sub-contractors for specific types of work (for example, a kitchen remodel may require an electrician or plumber). We recommend you verify that all the sub-contractors doing work on your project carry the appropriate licensing. Given the unique nature of California licensing, HomeServicesLink relies on representations of service professionals that are using a California General building contracting license to cover home improvement tasks, that such service professionals are performing more than one task as defined and required by California licensing rules. We always recommend that you ask the business to provide you with a copy of their license.

Insurance/Bonding - Where relevant, HomeServicesLink confirms general liability insurance coverage or bonding information presented by member service professionals in their application at the time of their registration with HomeServicesLink. HomeServicesLink confirms such coverage via the service professional's insurance agent. HomeServicesLink does not confirm general liability coverage for certain categories of service professionals where such coverage is deemed not relevant, including but not limited to: Appraisers; Architects; Engineers; Consultants; Pre-Manufactured Cabinet Makers; Organizers; Permit Services; Disability Planners; Alarm System Monitors; Toxic Materials; Toxic Material Testing.

Sex Offender Search - Please note that only a fingerprint match can guarantee an accurate match for a sex offender search. We recommend that you check the applicable state sex offender website for any individual that will be performing work in your home.

Identity Verification (Reverse Phone Lookup) - We conduct a reverse business phone lookup to confirm that the phone number provided matches the phone listing for the business.

Verify Customer References - When available, HomeServicesLink requests and contacts previous customer references provided by the business to solicit performance feedback from consumers with whom the service professional has worked.

NOTE: Member service professional information confirmed at the time of application as described above may change or expire over time; while HomeServicesLink attempts to maintain accurate and up-to-date information, and confirms changes when notified, we perform screening solely at the time the member applies for membership in the HomeServicesLink network, and therefore, we cannot guarantee that application and screening information is accurate. Therefore, we recommend that before working with a

service professional you verify that information presented in the service professional's application is still current and/or acceptable to you.

The above procedures may change from time to time at the sole discretion of HomeServicesLink.

HomeServicesLink believes that it uses commercially reasonable methods to check these matters but does not make any representations or warranties that members are appropriately licensed, free of significant state-level civil legal judgments, or carry appropriate general liability insurance or bonding at the time of registration, during the period they are members, or thereafter. As circumstances can change daily, HomeServicesLink advises consumers to check these matters for themselves especially at future dates. HomeServicesLink does not represent or warrant that the information received from state, provincial or other government agencies or from third party sources is accurate, error free, or that it is up to date or updated at the time that HomeServicesLink checks such information. Most agencies have periodic update cycles or schedules and this information is not updated on a real-time basis by such agencies and third party sources.

SOME STATES AND PROVINCES DO NOT ALLOW LIMITATIONS ON OR EXCLUSION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES. IN SUCH STATES AND PROVINCES, THE ABOVE EXCLUSIONS MAY NOT APPLY TO YOU. The Terms and Conditions will inure to the benefit of HomeServicesLink's successors, assigns and licensees. Alternatively, if modification is not possible, such provision shall be stricken and shall not affect the validity and enforceability of the remaining terms. The failure of HomeServicesLink to exercise or enforce any right or provision of the Terms and Conditions shall not constitute a waiver of such right or provision. You agree that regardless of any statute or law to the contrary, any claim or cause of action arising out of or related to use of the HomeServicesLink services or the Terms and Conditions must be filed within one (1) year after such claim or cause of action arose or be forever barred. The section titles in the Terms and Conditions are for convenience only and have no legal or contractual effect. These Terms and Conditions are governed by the laws of the State of Ohio as such laws are applied to agreements entered into and to be performed entirely in the State of Ohio and between Ohio residents. You agree to submit to jurisdiction in Ohio and that any claim arising under these Terms and Conditions will be brought solely in a court in Hamilton County, Ohio.

10. OUT OF NETWORK REFERRALS. In the event that HomeServicesLink is unable to match you with a service professional that is a member of the HomeServicesLink network, HomeServicesLink will inform you of such prior to providing your request information to a service professional that is not a prescreened member of the HomeServicesLink network
